Notes and explanations:

Note (1): If the exact date of birth is not known, please state the year. We will search 2 years either side of this year.

Note (2): These details are required under UK identity theft legislation for births since 1958.

What is...?

Scan Copy: We will take a scan of the certificate and email it to you before posting. This can be helpful where a photocopy is sufficient for your purposes, especially for overseas applications.

Apostille: We will arrange for the Foreign & Commonwealth to legalise the document for overseas use. An Apostille stamp will be added to the reverse of the certificate, with the addition of a raised seal.

CVC Security Code: This is either the last 3 digits printed on the signature strip on the reverse of your card, or for American Express cards, the 4 digits printed on the right above the card number on the front of your card.
